Commissioner for Patents

The proposed reply filed on March 9, 2004 has not been entered because it is unsigned. Applicant submitted a drawing signed by Ken Rynearson in response to the Notice to File Corrected Application Papers, however, the Statement under 3.73(b) filed November 21, 2003 that authorizes Mr. Rynearson to prosecute the application as an agent of the assignee is improperly executed. A new, properly executed Statement under 3.73(b) and a signed submission of the replacement drawings is required to advance prosecution of the case.

Since the above mentioned reply appears to be *bona fide*, applicant is given a TIME PERIOD of **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME LIMIT MAY BE GRANTED UNDER 37 CFR 1.136(a).
